

CES' Classrooms Extend Beyond Campus

From day to weeklong overnight trips, CES' education extends beyond our 25-acre campus:

- Fourth Grade travels to MS Capitol
- Fifth grade experiences Camp McDowell
- Sixth grade hikes the Appalachian Trail

Learning continues after the PM bell rings

CES offers After School Care, Quarterly Enrichment Programs, Clubs and Sports

Cherished & Engaged Students

Our school's 70+ year tradition of education excellence is driven by its mission of instilling a life-long love of learning in each of our students. Our school provides a joyful, unique, and nurturing Judeo-Christian community where students hone the life skills necessary to imagine and create a better world.

Serving Toddlers through Sixth Grade

From Kindergarten through Sixth Grade, CES Students are exposed to STEAM-based curricula. This bold combination of Science, Technology, Engineering, the Arts, and Mathematics is integrated into CES' Classrooms, the Gail Kennon Gallery's art and music studios, and the Seemann Makerspace.

Chapel starts each school day with devotions and provides our students with the opportunity to become comfortable presenting in front of peers and adults.

Our Value-Driven Commitment to EACH student:

- Nurture individual growth and development
- Identify student's needs and interests
- Offer activities to motivate observation, discovery, and interpretation
- Encourage open-ended exploration and a joy of learning as the foundation for lifelong success
