**Metal Tech Inc. is first recipient of HCDC's Industry of the Month**

*Gulfport, Mississippi (February 28, 2024)–*

On February 28, 2024 Harrison County Development Commission presented Metal Tech Inc. with Industry of the Month.

Metal Tech Inc. is a national leader among their specialty-job shops specializing in wear and abrasion resistant alloys. President Mike Funk credits innovation, customer service, and his team's work ethic. "My father Charles Funk, Sr. started the company in a backyard shop in the early 70s. We pride ourselves in our ability to customize our services to meet each customer's unique requirements."

The company has grown to over 22,000 square feet of fabrication space plus 10,000 square feet for additional services.

Bill Lavers, executive director of Harrison County Development Commission, adds, "Metal Tech is an example of dedication to the customer and commitment to Harrison County, Mississippi. Congratulations on your continued success."

Metal Tech Inc. is located at 10151 Lorraine Road, Gulfport, Mississippi.
